

Serving the Space Needs of Huntsville, Madison & Northern Alabama since 1987

Location - Location - Location!!

The location of Jetplex Circle Business Park (JCBP) on Production Avenue, Jetplex Circle and Production Court provides our multiple tenants an outstanding location from which to serve their customers in the greater Huntsville and the Mid-South region.

Our tenants have convenient access to I-565, I-65, highways 20 and 72, County Line Road and Huntsville International Airport. The FedEx Air and Ground buildings are located across from JCBP.

We own an additional 8 acres of property, for future development, on Production Avenue immediately across from the FedEx Ground building. Combined with 3 acres of property on Production Court, there are about 11 total acres available for future development.

Jetplex Circle Business Park is an ideal location for service and distribution to the greater Huntsville and mid-south markets.
